

Mobile App Now Available for HorizonbFit Program Members

Greetings!

Horizon Blue Cross Blue Shield of New Jersey and Advanta Health Solutions have made a big addition to the **HorizonbFit** incentive program with the launch of the **ActiveFit** mobile application. Through this innovative mobile app, **HorizonbFit** members can now leverage their smartphones to track gym activity, payment history, and much more!

ActiveFit is a GPS- and Bluetooth-enabled mobile application that allows you to track your **HorizonbFit** facility usage and incentive payment history right from the convenience of your smartphone!

Available for Android and Apple IOS devices, ActiveFit gives you mobile access to your **HorizonbFit** member portal. The ActiveFit app provides:

- Access to visit & payment information
- Motivational messaging to keep your workouts on track
- Step tracking via a built-in step counter
- Collection of your attendance from any participating fitness provider you visit

It does not cost anything to download ActiveFit. To use the app, simply install the app on your phone and sign in using your **HorizonbFit** member portal information. To download the app, simply click on one of the icons below:

For detailed instructions on how to download the ActiveFit app, [click here](#). You can also contact our member services team from 9 am to 5 pm EST at 201-351-7850 ext. 1 or at memberservices@advantahealth.com.

Sincerely,

The **HorizonbFit** team
