## **What is Topgolf?**

Topgolf is the premier golf entertainment complex where the competition of sport meets your favorite local hangout. You can challenge your colleagues to addictive point-scoring golf games that anyone from the hopeful pro golfer to your neighbor's 7 -year old kid can play year-round in climate controlled bays. Just picture a 240-yard outfield with dartboard-like targets in the ground. The closer to the center or "bull's-eye" you get and the farther out you hit your micro-chipped balls, the more points you receive.

Simply put, have you ever been bowling? Well, at Topgolf, you play in a "bay" rather than a lane, and from that bay, you hit micro-chipped golf balls into giant targets in the outfield to score points.

**Registration form and payment must be received in the EBEA office by 3/14/18.**
